

**Poster Presentations for Winter 2017**

Ref No.	Author	Title of paper
17W101	Gerard Clarke	Rectal diclofenac and stenting in post-ERCP pancreatitis
17W104	Farid Ahmad Toor	Effectiveness of Endo PAC Clinic before Colonoscopy procedure in an Irish Hospital.
17W106	Connolly E,	How well do we manage sick livers?
17W107	O'Morain N,	Chromoendoscopy post-EMR improves detection of incomplete polyp resection
17W108	O'Morain N,	Detection of sessile lesions in an Irish colonoscopy cohort.
17W109	Anne Manjalee Liyanage	Urea Breath Test post completion of Triple Therapy in Helicobacter pylori positive patients on CLO test following OGD- An Audit
17W110	O Ahmed,	Meta-analysis Of Outcomes Of Endoscopic Ultrasound-Guided Gallbladder Drainage Versus Percutaneous Cholecystostomy.....
17W111	A. Carroll	Response Rates in Primary Biliary Cholangitis to Ursodeoxycholic Acid in Cork University Hospital
17W113	Ciaran Judge	The value of faecal immunochemical test (FIT) when investigating anaemia or obscure gastrointestinal bleeding with small bowel capsule endoscopy.
17W114	L. Kumar	Does abnormal small bowel radiological imaging correlate with Small Bowel Capsule Endoscopy (SBCE) findings?
17W119	Crosbie S	Feed The Fleet
17W120	E Gibbons	Assessment of the Post ERCP Pancreatitis (PEP) rates at a single tertiary referral center.
17W121	E Benz	Audit Of NCHDs Regarding Their Knowledge About Quantification Of Alcohol Intake And Low-risk Drinking Guidelines
17W122	Catriona Gallagher	Clinicians' attitudes to photo protection in IBD patients on immunosuppression
17W123	M Nwaezeigwe,	Regression Of Liver Fibrosis In Patients With Chronic Hepatitis C Treated With Direct Acting Anti-Viral Drugs
17W124	B.Christopher,	White Cell Count (WCC) and Mean Corpuscular Volume (MCV) As Surrogate Markers for Thiopurine Monitoring in Inflammatory bowel....
17W125	Shahin A,	Refeeding syndrome related morbidity and mortality
17W130	M Nwaezeigwe,	An Audit Of The Accuracy Of Transient Elastography By Fibroscan For The Diagnosis Of Liver Fibrosis In Chronic Hepatitis C
17W131	S. Naimimohasses	High Incidence of Advanced Liver disease in patients with Non-alcoholic Fatty Liver Disease: A single center Irish study
17W132	K.Altamimi	A tertiary hospital experience of Lumen –apposing metal stents (LAMS) in the treatment of pancreatic fluid collections.
17W133	Keating E,	Non-attendance for endoscopy associated with increasing inefficiency in a tertiary referral endoscopy centre
17W134	E.Benz,	Retrospective review of resection margin in NCCS (National Colon Cancer Screening) polypectomy
17W135	R. Brady	Endoscopic Assessment of Bowel Preparation Quality for Out-Patient Colonoscopies: A Single Center Prospective Study
17W136	Deane C	Outcomes of high risk patients in the National Colorectal Screening Service: a single centre analysis
17W138	P. Singh	Is performing haematinics a dying art?
17W139	P. Singh	A Review Of Postoperative Crohn's Disease Surveillance Colonoscopy
17W140	Aoife O'Sullivan	Use of the MUST (Malnutrition Universal Screening Tool)- An Audit
17W142	F. O'Hara,	Comparison Of Transient Elastography Versus Liver Biopsy For The Assessment Of Liver Fibrosis/Cirrhosis. A single Centre Experience

17W143	N Mc Gettigan,	Is The Neutrophil-Lymphocyte Ratio A Useful Biomarker To Predict Sub-Therapeutic Infliximab Trough Levels In Inflammatory Bowel ....
17W144	Cathal Harmon	Accumulation Of Lactate In The Tumour Microenvironment Induces Apoptosis Of Liver Resident Natural Killer Cells.
17W148	Geraldine Carroll	Management of Patients with Peripheral Oedema associated with Liver Cirrhosis, in an Outpatient Setting.
17W149	J.Sopena-Falco	CT impact in the management of diarrhea in the emergency setting
17W150	YY Hong	Clinical outcome of older cohort of patients with Inflammatory Bowel Disease on anti- tumour necrosis factor treatment
17W153	Denise Brennan	The urea breath test in diagnosis of Helicobacter pylori infection: Can it also predict success of treatment?
17W154	O. Fagan,	The Changing Patterns Of A Model-3 Outpatient Hepatology Unit, 2002-2016: A Retrospective Descriptive Study
17W155	Louise A. Elliott,	Tumour Infiltrating CD11c+ Cells Correlate with CD8+T Cells in a Subset of Colorectal Cancer (CRC) Tumours
17W156	R Howard,	Are We Over Investigating Young Patients with Dyspepsia?
17W157	F. Janjua,	Fenestrated Endoscopic Sphincterotomy facilitates high duct clearance of large common bile duct stones 10 to 20mm in.....
17W158	E. Houlihan,	Compliance with National Quality Guidelines in patients undergoing colonoscopy in St. Luke's Hospital Kilkenny.
17W159	C. Conlon,	Needs MUST – An Audit Of Nutritional Screening In An Acute Hospital
17W160	J. Ayyoub,	An Audit of Compliance with Key Quality Targets in Upper GI Endoscopy
17W161	C. Conlon,	The Importance of Patient Selection In PEG Insertion
17W162	C. Conlon,	Expert Dietician Department Reduce PEG Referral Burden on Gastroenterology Department
17W163	A.M. Fennessy	Osteoporosis Screening In Inflammatory Bowel Disease
17W165	MS Ismail	Does Indication Have An Association With Small Bowel Capsule Transit Time (SBCTT) and Diagnostic Yield?
17W166	D Kane	Percutaneous Transhepatic Cholangiography For Malignant Biliary Obstruction –A Large Single Centre Study
17W168	K. Hazel,	Clinical Efficacy of Vedolizumab in Anti-TNF Refractory Inflammatory Bowel Disease: A Single Centre, Three Year Study
17W169	A. Moriarty,	”PSC”; Please Schedule Colonoscopy For Patients With Primary Sclerosing Cholangitis
17W170	Neary BP,	Intention to Tweet: The Use of Twitter by Gastroenterology Journals and Effect on Impact Factor
17W171	O Mc Carthy,	Frailty and not advanced age is a marker of poor outcomes in ERCP
17W172	Denise Brennan	Comparison of two transport media for successful culture of Helicobacter pylori from gastric biopsies
17W173	C.Rowan	The Use of Faecal Calprotectin to Assess Crohn's Disease Activity in Patients with an Ileostomy
17W176	MS Ismail,	Device assisted enteroscopy is a useful mean to characterise small bowel lesions detected on imaging but has a low diagnostic yield .....
17W177	A. Dumitrean,	Analysis of positive/negative rapid urease tests frequencies and observed incidence of H. pylori infection in Cork area
17W179	J Doherty,	Vedolizumab: Effects on liver function in an IBD and IBD/PSC cohort.
17W180	F.O'Hara,	Photographic Documentation Of Caecal Intubation: Has Bowelscreen Changed Documentation Practice in the Symptomatic Service?
17W186	MS Ismail,	Symptoms Are A Poor Predictor Of Clinically Significant Disease On Colonoscopy
17W188	R Sparks,	Fallibility of Preoperative Localisation (including Ink Tattoo) ahead of Laparoscopic Resection of Colon Tumors

17W189	Haseeb Kothar,	Selective Colorectal Cancer Fluorescence by Calibrated Dose and Timing of Indocyanine Green with Standard Near-infrared Endoscopic....
17W190	S Alsaif	Preoperative Inflammatory Markers as Predictors of Postoperative Complications in Colon Cancer Patients
17W191	P Pua,	Identifying Anaemia in Patients with Rectal Cancer
17W192	Sheenan D,	Endoscopic mucosal resection of large polyps – resource implications and outcomes in a single centre.
17W193	Jack Horan,	Long-term outcomes of Ileal pouch-anal anastomosis for ulcerative colitis.
17W198	James Lamb	Helicobacter pylori infection inhibits Notch signalling in gastric epithelial cells.
17W200	Mary Hussey,	The role of capsule endoscopy in the detection of small bowel tumours in an Irish institution
17W201	C Judge	Vedolizumab Therapy in Ulcerative Colitis – Real World Experience
17W202	C Judge	Short-term Efficacy of Vedolizumab in Crohn’s Disease
17W204	Lyte J M	Dynamic Gastrointestinal Serotonergic Responses to an Acute Stressor: Role of Host Genetics
17W205	Gibson D	Medium to long-term outcomes in patients receiving accelerated dose induction of Infliximab for Acute Severe Ulcerative Colitis (ASUC)
17W206	Julieanne Houlihan,	Therapeutic Drug Monitoring in IBD- The Beaumont Experience
17W207	Ludgate S,	High Prevalence of Abnormal Liver Enzymes Amongst the Diabetic Population
17W208	Ann Cooney	Appropriateness of Referral to Endoscopy.
17W209	D. Storan	Performance Measures for Upper Gastrointestinal Endoscopy: The Death Knell for Unsedated OGDs?
17W210	Allen P	UK Clinical Experience with 12 weeks linaclotide for IBD and Constipation
17W211	Corrigan G.	Reduction of surveillance endoscopy waiting time through the effective use of international guidelines.
