

## Make Digital ILC 2020 your highlight of the year

### WHY ATTEND DIGITAL ILC 2020

This year, EASL is holding its flagship event as an immersive online event. This innovative, interactive congress is bringing members of the worldwide liver community together to learn, interact, and share.

#### LEARN.

- Benefit from a carefully curated selection of original live and on-demand content from world-renowned experts
- Fine-tune your expertise, by joining numerous sessions including: meet the experts, abstract sessions, poster tours, interactive sessions, industry satellite symposium, wrap up sessions, and a special session on COVID-19 and the liver.

#### INTERACT.

- Access the platform from anywhere in the world and mix with your peers at the EASL Community Hub
- Connect with industry leaders and participate in industry satellite symposium
- Interact directly, putting your questions to leading experts via the digital platform

#### SHARE.

- Share your views, chat live, including with representatives at exhibitions, industry symposia, EASL staff, partners, and consortia

- 100+ hours of cutting-edge scientific content
- Wide range of sessions with engaging scientific and educational content
- Dedicated session on COVID-19 and the liver
